honkit-pdf-margin-settings-dont-work

Install dependencies

```
$ npm i
```

Create PDF

```
$ npx honkit pdf
```

I set the PDF setting in `book.json` like below. But they're not reflected in `book.pdf` .

```
{
  "pdf": {
    "margin": {
      "top": 0,
      "right": 0,
      "bottom": 0,
      "left": 0
    }
  }
}
```
